Not all teachers are parents, but all parents are teachers. When we teach kids to be good people who possess the social courage to do the right thing, we help to make the world a safer, saner, more accepting place for all of us. Annie Fox, M. Ed. We live in a time shaped by a viral culture of cruelty. Now and in the future, we desperately need more good people. But where will these young people come from? From the homes of parents with a game plan! In *Teaching Kids to Be Good People*, Annie Fox has written a very personal, step-by-step guide to teaching your children to make healthy choices (online and off). Because being good is not enough. We have to do good. This very pragmatic and funny guide includes essays, podcasts, prompts, tools, questions, answers, and self-assessment quizzes, all for the purpose of teaching kids to be good people. Hopefully, you'll become so engaged in this process that you will inspire your children to do the right thing when no one's watching, and when everyone is watching.
