

## The Third Globalization: Can Wealthy Nations Stay Rich in the Twenty-First Century?

By Dan Breznitz, John Zysman

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, The Third Globalization: Can Wealthy Nations Stay Rich in the Twenty-First Century?, Dan Breznitz, John Zysman, Given the powerfully negative and ongoing impact of the Great Recession on western economies, the question of whether historically wealthy nations-the US, Western European countries, Japan-can stay wealthy has become an overriding concern for virtually every interested observer. Can their middle classes remain comfortable as more and more good and technically jobs disappear to other parts of the world? Can they support themselves as they devote more and more economic resources to an aging population base? In The Third Globalization, eminent political economists Dan Breznitz and John Zysman gather some of the discipline's leading scholars to assess the prospects for growth and prosperity among advanced industrial nations. Throughout, they examine the core transformation in the economies of the advanced countries, the character of the challenge from the emerging economies, and the varied policy responses of the advanced countries. And, via a series of case studies, the contributors consider the central challenges these countries face internally and the nature of their responses. In particular, they ask what governments might do to achieve the goal of...
