

The Diario of Christopher Columbus's First Voyage to America, 1492-1493 (Paperback)

By Cristobal Colon

University of Oklahoma Press, United States, 1991. Paperback. Book Condition: New. New edition. 251 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****. This definitive edition of Columbus's account of the voyage presents the most accurate printed version of his journal available to date. Unfortunately both Columbus's original manuscript, presented to Ferdinand and Isabella along with other evidence of his discoveries, and a single complete copy have been lost for centuries. The primary surviving record of the voyage-part quotation, part summary of the complete copy-is a transcription made by Bartolome de las Casas in the 1530s. This new edition of the Las Casas manuscript presents its entire contents-including notes, insertions, and canceled text-more accurately, completely, and graphically than any other Spanish text published so far. In addition, the new translation, which strives for readability and accuracy, appears on pages facing the Spanish, encouraging on-the-spot comparisons of the translation with the original. Study of the work is further facilitated by extensive notes, documenting differences between the editors transcription and translation and those of other transcribers and translators and summarizing current research and debates on unanswered current research and debates on unanswered questions concerning the...
