Hackett Publishing Co, Inc, United States, 1995. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. This is an excellent, readable and vigorous translation of The Prince , but it is much more than simply a translation. The map, notes and guide to further reading are crisp, to-the-point and yet nicely comprehensive. The inclusion of the letter to Vettori is most welcome. But, above all, the Introduction is so gripping and lively that it has convinced me to include The Prince in my syllabus for History of Western Civilization the next time that I teach it.Great price, too! And lovely printing and layout. --Rachel Fulton, University of Chicago.
